Enchantingly perched on the south facing side of valley, this cosy Meribel chalet offers breath-taking views in an idyllic location.

Nestled in the entrance to Meribel, this charming 6-bed chalet with hot tub and shared spa area, is an ideal base for a family or a small group of friends who are looking for a hassle-free holiday within walking distance to Meribel's central attractions. The chalet combines rustic, Savoyard charm and contemporary design to create the perfect mountain home away from home. The open-plan living dining area provides ample space for your family and friends. Snuggle on the sofa in front of a roaring log fire with a hot chocolate after a hard days skiing or you can enjoy a warming Vin Chaud on the sun-soaked terrace while watching the sun set behind the snowy mountains. Either way you won't need to lift a finger.
