Meribel is unquestionably the prettiest resort in the Three Valleys and has an unlimited choice of activities for both skiers and non-skiers alike.

Driver service is available from 8.30am - 10.00am and 4.00pm - 6.30pm for this chalet.

Chalet is the newest addition to our chalet collection. The chalet's classic interior will boast traditional features with a modern flair, designed with both style and taste.

Chalet is ideal for a family or a small group of friends. It sleeps 8 with 4 private en-suite bedrooms. The large open plan dining-living area is flooded with natural light and the French doors lead out onto the south facing terrace where you can absorb the mountainous view of the valley. All this coupled with big comfy sofas and even a drinks bar, make for a very sociable chalet where evenings will be spent recounting the days' adventures around the roaring log fire. Chalet neighbours both Chalet Brenettes (sleeps 8) and Chalet Lapin (sleeps 6). For a larger group therefore we can offer various catering options if taking any of these chalets together.

Spectacular mountain views, an indoor/outdoor hot tub, eucalyptus steam room and massage area make this, hands down the best place to switch off and take a little time out after a physical day on the slopes.

Guests staying in Chalets will have exclusive use of this Spa and Wellness area, open from 7.00am to 10.30pm.
