Riding

Chalet is one of our most popular 8-bed chalets, nestled behind the bakery in Meribel Village, in the heart of the Three Valleys. Decorated to the highest standard by its art dealer owner, the Chalet combines a warm atmosphere with contemporary style. Featuring a fabulous antique dining table, custom lighting, and artwork from around the world, the Chalet promises an unforgettable vacation.

Located just a few minutes from the Golf's high-speed chairlift, the Chalet is ideally situated. It is a self-contained chalet in a quiet location, giving you both privacy and peace and quiet to relieve the stress of the working week. Enjoy the fantastic sauna with its separate shower room, sit back and relax on the sumptuous sofas, and savor the divine aroma of a four-course meal in the making to really let the vacation feeling sink in.

In the village itself, you'll find the excellent Village Lodge offering pizza and live music, a traditional French bakery perfect for snacks and takeout, and the Lapin trail will bring you home after a long day on the slopes. The Golf high-speed chairlift will take you directly to the Altiport, a great place for beginners, and will also connect you to the outstanding Three Valleys lift network for those who want to go further. The free shuttle bus will take you into town for those in the mood for shopping, and the supermarket will make sure your pockets stay full of essentials at all times.

Guests staying at the Chalet will enjoy our Ski Basics plus+ service, including unlimited beer and a carefully selected wine list. Also included are British Freesat TV, Netflix, free Wi-Fi and an iPod dock. Our Ski Basics plus service includes all the extras we think you need to have a fabulous ski vacation.
