Riding

Chalet is an incredible ten bed chalet located in the centre of Meribel. Designed beautifully in a classic Alpine style with modern touches, Chalet features five beautiful bedrooms with en-suites, separate dining and living rooms and a glorious well-being area with sauna. It does not get much better than this.

Chalet has proved to be hugely popular since becoming part of our range and is a firm favourite amongst returning large groups. The warm and inviting living area is perfect for relaxing around the open fire, toasting friends and enjoying freshly served petit fours after a divine four course meal. A separate children's area upstairs and flat screen televisions in every room allow everyone the opportunity to get the space they need, and to really make the most of your holiday. With toiletries in every room, a cooked breakfast in the morning, and boots warmed for the day ahead; make Chalet the treat you deserve this winter.

Those staying at Chalet will benefit from our Ski Basics plus+ service, including unlimited beer and a selection of carefully chosen wines. Also included is UK Freesat TV, Netflix, free Wi-Fi, and an iPod docking station. Our Ski Basics plus service incorporates every added extra we deem necessary for you to have a fabulous skiing holiday.
