---------------------	----------------------	--------	-----------------	--------

Chalet offers comfortable accommodation for up to 7 guests, in four bedrooms. The apartment is bright and airy, with a spacious open plan living and dining area, with large wrap around windows from which you can enjoy the stunning Alpine views. There's also a huge balcony from which to soak up these stunning views and the Alpine sun on a clear day. If the weather isn't so kind, then there is a log fire to keep you toasty, whilst you relax on the comfortable sofas in front of the large flat screen television, or enjoy a meal round the dining table with your family. The television has UK and French channels, as well as a DVD player.

The kitchen is located next to the living room and is fully equipped with two ovens, 4-ring hob, microwave, fridge, freezer, dishwasher and kettle, so you'll have everything you'd require to rustle up a feast for all the family.

There are four comfortable bedrooms, the first of which has a double bed (140cm x 190cm) and en-suite bathroom with bath tub, hand basin and WC. The second bedroom gives the option of either twin or double (2 x 90cm x 200cm) and shares the family bathroom, with bath tub, hand basin and WC with the two other bedrooms. The third bedroom is very spacious, with the option of double or twin beds (2 x 90cm x 200cm), in addition to sharing a balcony with the final bedroom, a smaller single room (90cm x 200cm), perfect for an adult or child.

There is free WI-Fi throughout the chalet, perfect if you need to work whilst away, or stream your favourite film or TV shows whilst relaxing in front of the roaring fire. If you drive to the chalet, there is space in front of the chalet for dropping off bags, then there are some free parking spaces along the road outside the chalet, although please note these are limited. There are also several covered car parking options available in the resort, the closest being the Bellecote parking and another at La Croisette, both with a large number of spaces.
