Chalet is a rustic Savoyard chalet, located in the tranquil Mussillon district of Meribel and close to another of our chalet collection, Chalet Castor. With eight bedrooms, sleeping up to fifteen guests, chalet is a lovely property that would make the perfect base for a family or friends looking to explore the wonderful resort of Meribel. The exterior of the chalet is built of stone and timber, with a typically Savoyard interior of wood panelled walls and exposed wooden beams.

Open plan living and dining room with open fireplace, sofas and chairs and a flat screen television. Separate kitchen fully equipped with oven, hob, microwave, dishwasher, fridge, freezer, kettle, toaster and cafetière.

If you need to stay connected for work or to stream your favourite TV shows, there is free Wi-Fi throughout the chalet apartment. If you are travelling by car, there is space to park one car in front of the chalet.

Meribel sits at the heart of the vast Three Valleys, the World's largest ski area. Chalet is in a great position from which to explore this wonderful ski area, with the bus stop just a three minute walk from the chalet which will whisk you in no time at all down to the lift base at the Chaudanne. Meribel is a vibrant resort, with fabulous après-ski scene, some fantastic restaurants and excellent shopping. The centre of this bustling resort is just an 8-10 minute walk from the chalet, or a quick hop on the ski bus. A little closer to the chalet, at just 3 minute walk away are the popular après spots, 'Brewers Den' craft beer bar and 'O'Sullivans' bar and club.
