Our 1100 m2 chalet with pool has 8 bedrooms and a dormitory to fully enjoy your vacation with family or friends. There are 4 different floors and an elevator to access them. Each room features upscale amenities that will make your stay unforgettable and enjoyable!

as all the classic features of a traditional Savoyard chalet: an austere façade of wood and stone, sculpted balconies and stalactites dangling from the cornices. But Tyrosolios stands out from its neighbours by its sheer size. Inside, fires crackle in the arty, minimalist fireplaces, warming up the massive rooms. The warm, modern design scheme is inspired by the colours of the mountains. Animal hide rugs and chocolate-brown leather perfectly complement the vintage wood and natural stone. Upstairs, beneath the sloping ceilings, each bedroom is a world unto itself: contemporary country chic, spotless glaciers, snowy forests. Strap on your snowshoes and set off to conquer Mont Vallon, the resort's highest point. When you reach the summit, take a few moments to revel in the spectacular view: the chalets down below seem minuscule. Tuck into a Savoyard fondue at the mountain-top restaurant before gliding back down into the valley. Back at the chalet, cheeks rosy from the cold and legs a bit sore from all the hiking, relax and unwind in the indoor pool or the private cinema with its plush red velvet seats. Or choose between the enticing warmth of the Scandinavian sauna and the restorative steam bath with its glacier blue mosaics.
