A 5* luxury chalet experience, The chalet is the best of Meribel. The chic modern British interior combined with our first-class service creates an unrivalled ski holiday in the idyllic Three Valleys.

Recently renovated throughout, The chalet furnishings, decoration and detail are delivered by contemporary interior designers, with every aspect planned meticulously and finished to the highest standard, always with our guests comfort and enjoyment in mind.

The chalet is a breathtaking chalet, the size and attention to detail of it's design really does have to be seen to be fully appreciated. With free-standing baths, an oh so inviting library or spacious boutique bedrooms - each are unique in their style and theme. Whether it's relaxing in the lavish spa suite which dominates the lower ground floor or admiring the stunning mountain views from the huge open plan living and dining room, the sumptuous modern style throughout the chalet has a generous feel of space and decadence. The chalet is modern chic, whilst also retaining its Alpine heritage.

To help unwind further the ground floor of the chalet has been transformed into a lavish spa room. Step out of your ski boots into a tranquil Sofa area, with sauna and sunken spa and the option of massage and treatments from our in-house therapists in the private massage room.

Our team are waiting to welcome you. Truly, chalet holidays will never be the same after experiencing The chalet.
