Chalet has been beautifully furnished, oozing authentic features throughout, to ensure guests experience a stay in true Alpine luxury. Given its size and location, set in the picturesque resort of Meribel Village, this chalet is a popular choice for a large group of friends or family looking to explore the magnificent Three Valleys ski area.

Exposed stone and traditional wooden elements continue the appearance of the chalet's exterior, seamlessly welcoming you into the inside of the chalet. On your return from the slopes, the spacious, open-plan living area offers a cosy setting to unwind to the roaring open stone fireplace. Large windows, capturing the picturesque snowy scenes falling outside, flood this space with ample amounts of light to add to the bright and airy ambience. In the evening, the long wooden dining table presents the ideal spot for satisfying any appetites, having been lovingly prepared in the chalet's fully-equipped kitchen. In warmer months of the season, the terrace area provides a space to enjoy a spot of alfresco dining, whilst looking out to the mountain landscapes.

For guest's relaxation, Chalet features lavish wellness facilities, including an outdoor barrel sauna and hot tub, to loosen any aching muscles after a hard ski session.

In total, Chalet sleeps up to 15 guests across 7 spacious en-suite bedrooms. Each bedroom can be configured as double or twin beds, making this chalet ideal for combined groups of friends or family, or a luxury corporate ski trip. One of the bedrooms on the second floor features an additional single bed, with potential to be used as a family room or a teenager hideaway, which also benefits from private balcony access.

For any guests deciding to drive to the chalet, there is ample amounts of parking (with space for up to 4 cars) on Chalet driveway.

Prices are based on exclusive use of the chalet for 14 people with a contactless catering service. Empty bed/children discounts apply, and an extra guest can be added at a small supplement.

Self-catered prices are based on exclusive use of the chalet to include mid-stay cleaning and linen change.

Additional services can be arranged on request.
