This beautifully modern chalet, situated in the centre of this charming authentic Alpine resort, offers a comfortable, cosy getaway for your next luxury ski retreat. Sleeping up to 10 guests across its 4 bedrooms, including a family bedroom, makes this chalet a fitting choice for friends and family alike!

You will be greeted into the bright and spacious open-plan living area, found on the top floor of this chalet. Feel at home relaxing and catching up over the day's activities, in the snug sofa corner, with the TV on in the background. On the other side of the floor, the modern, open fully-equipped kitchen allows the group's designated cook to prepare the evening's speciality, whilst also continuing the conversations with the rest of the group. Indulge on the evening's delicacy, on the large wooden dining table, comfortably seating the whole group in front of the impressive panoramic picture of the ski slopes, jump and mountain landscape. Cool off after your meal on the terrace area, to get a closer look at the direction you will want to be heading out to in the morning!

For ultimate luxury, Chalet also features an indoor sauna, allowing you to soothe and pamper any aching muscles from a hard day's skiing, ready for the forthcoming days.

In total, Chalet accommodates for up to 10 guests across its 4 bedrooms. There is a family bedroom, featuring a double bed and bunk beds (sleeps 2), perfect for a group which includes a family of 4. Each of the other bedrooms have an en-suite shower or bathroom, for that extra convenience during your stay.
