Chalet is located in one of the most highly rated areas of Méribel. This mountain home is quite out of the ordinary, straying from the usual decor, and going bold with the colours. What we love is that the first ski slope is located a mere 150 meters from the chalet! While curling up on the sofa, surrounded by natural wood furniture, contemplate on the breathtaking view of the Méribel Valley and Mont Vallon. After an exhilarating day on the slopes, you can also warm up in the fitness and spa room, or relax in front of a movie in the cozy cinema room.
