The Chalet

Chalet is a recently built chalet, luxuriously equipped to accommodate up to 16 guests and situated in Courchevel 1650 in *Les Trois Vallées*, Europe's largest ski area.

Bedroom Suites

There are five comfortable double bedroom suites, each with an en suite bathroom and state-of-the art audiovisual system. The six-bunk children's suite has an adjoining playroom, where younger guests can relax with a book, watch a DVD or simply play with the toys and games provided.

Après Ski

The chalet is equipped with fantastic facilities for your 'après ski' enjoyment. Relax in the spa, indulge in a glass of something cold in the jacuzzi, enjoy a film on the big screen in the luxurious cinema, or use the state-of-the-art audiovisual system to listen to music and watch a wide variety of television channels.

Spa Area

The spa area is the perfect place to recover from your exertions and unwind. Relax in the hammam, take a dip in the hot and cold plunge pools, or enjoy an expert massage or beauty treatment in the fully-equipped treatment room.

Courchevel 1650

Courchevel 1650, a short distance from glitzier 1850, is part of *Les Trois Vallées*, the largest linked ski area in the world.

Courchevel is often called the best ski resort in Europe, due to its superbly maintained ski runs and virtually queue-free lift system. With special 'Zen' areas for the novice skier or boarder, and some of the most challenging red and black runs in Europe, the Courchevel ski domain truly offers something for everyone. As the ski resort with the greatest number of Michelin-starred restaurants, it is also renowned for its fine dining.
