Domaine de l'Orme is an extraordinary chalet in Méribel that brings together the best of the French Alps. Behind its traditional wooden façade and typical Savoyard architecture, it houses a host of luxurious surprises, perfect for your ski vacation.

First thing in the morning, sip your coffee in the lounge and take time to admire the panoramic mountain views through the high windows, framed by the majesty of the incredible high ceilings. Once your tribe has woken up and enjoyed a hearty breakfast prepared by the in-house chef, you're off to the slopes. At the end of the day, return to your chalet and its private spa, relaxing in the indoor pool, jacuzzi, hammam and massage room.
