Chalet

Courchevel 1850,
French Alps,
France

10 guests · 5 bedrooms · 5 bathrooms · 300 sqm

Beneath its framework of work and stone, Chalet is a refuge of softness on the mountainside, very close to the Courchevel resort. Inside, raw oak and other high-end materials combine to form an elegant, cosy atmosphere, draped in velvet, furs, and cushions. The light from the mountains illuminates the contemporary decor, from the fireplace to the designer kitchen.

After a day of hitting the slopes, Chalet is an après-ski paradise. Relax in the marble pool, then let off steam in the sauna. In the evening, settle in for a family movie in the cosy cinema room.
