This stunning mountain home is ideally located, just a few minutes away from both the ski lifts, and the shops. Boasting intimate decor allowing a warm and relaxing atmosphere, this is the ideal setting for a winter getaway under the blanket of alpine snow.

Whether you want a calm day or exhilarating, this chalet can give you both. Those looking for heart-pumping activities, while the calmer can choose between the sauna, or possibly the outdoor jacuzzi. Nevertheless, we believe that evenings should have everyone around the dining table, recounting the unforgettable memories made that day.
