The dedicated team, led by an experienced and dynamic chalet manager, is committed to providing holidaymakers with unforgettable moments.

The Chalet is spread over 5 spacious floors connected by a lift. Impressive wooden beams and traditional mountain features, combined with luxurious fabrics, exquisite décor and ornate furnishings, define the style. The Chalet sleeps 12 adults and 6 children in 6 spacious bedrooms and one room with bunk beds. All bedrooms are equipped with flat screen televisions and en-suite bathrooms. In addition, there is a further eighth bedroom with 2 single beds which can be used by staff or younger guests.

The lower floor is entirely dedicated to sports and entertainment. The fitness room is equipped with state-of-the-art Technogym equipment. Next door you can have a drink in the lounge/bar, play billiards, darts and

other games or watch the latest movie in the cosy cinema room.

During the summer months, guests at Luxury Chalet can relax in the Størvatt's large hot tub with views of the surrounding peaks or take a dip in the pool to cool off.
