Domaine des Glaciers is the latest prestige real estate development in Courchevel Moriond. Scheduled for delivery in December 2023, it offers apartments and chalets grouped together in a private hamlet, around 400m from the snow front. Among them, Chalet offers a charming cocoon for groups of up to 12 people.

Spread over 4 levels served by an elevator, Chalet can sleep up to 12 people. The first floor features laundry facilities and a relaxation area with Jacuzzi. Levels 2 and 3 are welcomes the 5 bedrooms + mountain corner, all with en suite shower rooms. The living area is on the top level, under a cathedral ceiling. The kitchen with bar counter, dining room and living room all sit side by side on a vast open plan, in a style that fuses traditional savoir-faire with a modern feel.

Contemporary lines, raw materials and a soft palette of sand and gray tones blend together to create a chic, modern ambience. On every floor, balconies and terraces offer views of the Courchevel slopes and the Vanoise peaks.

Sunny Courchevel Moriond is a natural, family-friendly destination. Bars, restaurants and shops line the main street. The snow front is home to the Piou Piou club, ski course departures and festive restaurants. You'll also find the Aquamotion center, a concentration of aquatic leisure and relaxation activities for young and old alike.
