Chalet in Cospillot Courchevel 1850

A perfect balance between contemporary and alpine tradition, the chalet, located along the Cospillot slope & a few steps away from the center of Courchevel 1850, offers a panoramic view of la Dent du Villard and the valley of Courchevel.

With 660sqm of living space, the chalet is organized on 3 levels (all accessible by lift and stairs) and has all the facilities of a 5* hotel.

It can welcome 14 people in 7 bedrooms, each with ensuite bathrooms. The large lounge area will offer an open fire, bar and large picture windows giving views of the amazing scenery.

The separate dining room is perfect for gastronomic feasts and dinner parties with cuisine prepared by the chalet's private chef.

Other luxuries include a superb wellness area which consists of an indoor swimming pool with a steam room, shower, w/c, private lift and terrace.

Connected to the hotel by a private gallery, Chalet enjoys all the privileges of this French Palace: a unique location, ski-in, ski-out, 2-Michelin star restaurant, a luxurious spa, beauty area, pool, cinema room, bar and two childrens' playrooms.
