Chalet in the mountains of Val-d'Isere

In the highly sought-after area of Le Fornet, there is the chalet . It is located 200 metres from the ski slopes and the Fornet cable car. The interior perfectly combines stone and high-quality wood. Its high ceiling offers you a real space in the living room, the large bay windows give brightness to the chalet, they also allow you to contemplate the panoramic view of the mountains of Val-d'Isere. The large terrace is the ideal place to relax on the deckchairs or to relax in the Nordic bath while contemplating the sunset.

Chalet has 5 bedrooms with ensuite bathrooms, including a master bedroom and a children's bedroom with 6 single beds. 14 people can therefore be welcomed in optimal comfort, between fur plaids and thick wool curtains. Cowhide and red accents such as in the bathrooms bring life to the chalet.

The wellness area of the chalet includes a hammam, a sauna, and a massage room.

At chalet , skiing is very comfortable thanks to its ski room which will keep your boots warm during the night.
