Luxury Chalet Right at the bottom of the slopes.

Located at the foot of the slopes of Bellevarde, the chalet will seduce lovers of the warm and cosy atmosphere of an authentic wooden chalet. This chalet is the reflection of a half-Savoyard, half-modern architecture in which all the French art of living is expressed, and where every detail has been thought of for comfort.

Between the warmth of the wood and the richness of the details, this snow cocoon welcomes its guests in an enchanting setting. The chalet offers beautiful living spaces with its 280 m2 and its 4 bedrooms with bathrooms, including a family suite for 2 adults and 2 children. The swimming pool with jets and the hammam of the SPA area will allow you to relax after a sportive day. Meanwhile, in the fully equipped kitchen, the chef will prepare a delicious dinner for you, and you will be able to savour the happiness of evenings spent with your family by the fire, contemplating the mountain view. With its large windows, the chalet promises a stay face to face with the peaks.

Thanks to its ideal location you can enjoy the days between skiing and the lively resort life. At nightfall you will enjoy the exquisite feeling of being at home. In the living room you will find the delights of an fire prepared by your butler, in the spa the heated swimming pool and the hammam will allow you to recharge your batteries. More than a ski holiday, it is an art of living that awaits you.
