The smallest of our luxury chalets in Val d'Isère, it is charming, cosy, and the perfect choice for family groups or groups of friends seeking proximity to the resort centre and excellent spa facilities. It sleeps up to 10 adults in 5 double or twin rooms, and has a further children's bunk room. The snow front, shops and restaurants are just a short chauffeured minibus ride away from this quiet, exclusive corner of Val d'Isère.

Spread across 3 delightfully furnished floors, the chalet combines traditional alpine style - with its stunning wooden beams and panelling, and beautiful stone fireplace - with wonderful modern touches. Whether you spend your afternoons admiring the lofty peaks from the large sun-drenched balcony, or curled up on the sofa in front of the roaring fire with a glass of champagne, you'll be drawn to the chalet's generous open plan living space.

Once the skis are off, head straight for the wellness area, with its striking indoor swimming pool built into the rock face. Close by are the steam room and a chill-out area with bean bags and sound system, perfect for teenagers to escape to. Afterwards you can take the lift to the floor above, where the television room beckons with its large, comfortable sofa and state-of-the-art TV.

Now available as a catered chalet for the first time, it comes with a team of dedicated staff, including your exceptional chef, who will serve spectacular 4-course meals in the comfort of the chalet's inviting dining area.
