The newly refurbished chalet lies at the very heart of snow-sure Val d'Isère.

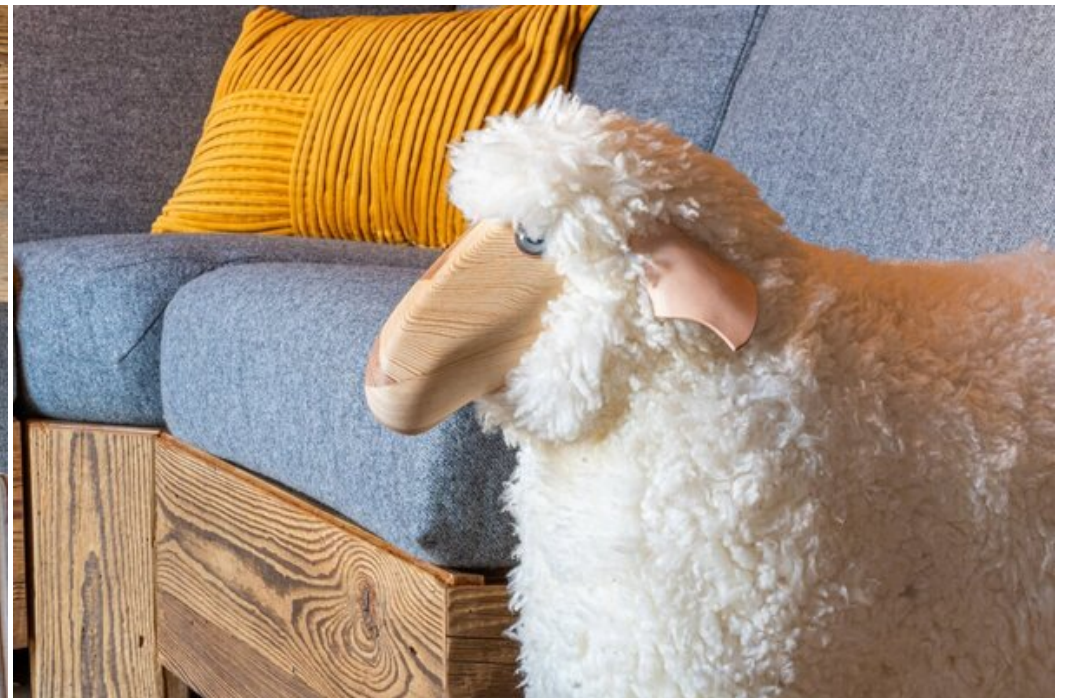

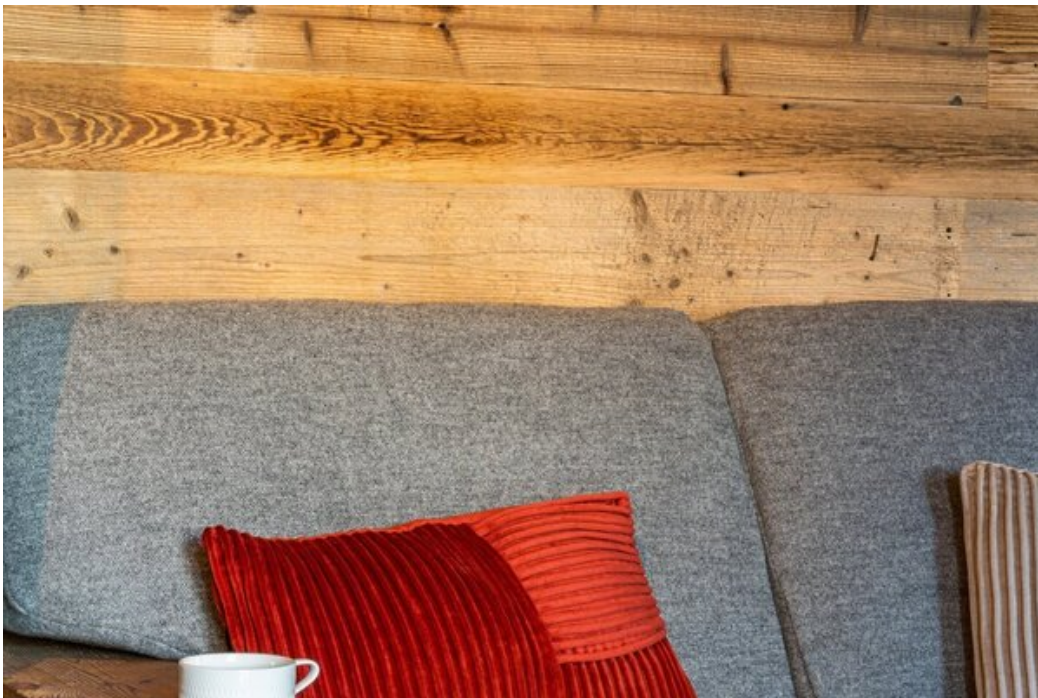

Spread out over three stories, 6 en-suite rooms offering both double and twin bedding make the ideal base for up to 12 guests.

Wide sun-drenched balconies offer stunning views throughout, not least from the spacious open plan sitting and dining area.

Après-ski relaxation is also catered for, thanks to a nordic-style outdoor bath and a cosy indoor sauna – just what you need after a busy day on the pistes.

As for the decor? With a scattering of zany sheep footstools, and the town's eagle emblem adorning a welcoming fireplace, this warm, modern take on rustic chic will have you dreaming of luscious Alpine pastures!
