Chalet with relaxation area in Courchevel le Praz.

In the hamlet of Bois du Praz, this new program consists of 4 unique chalets with high-end amenities. It benefits from a privileged location, just a few steps from the village of Le Praz and the cable car allowing you to reach Courchevel 1850 in a few minutes.

Chalet is spread over 4 levels, served by a lift. The modern architecture is composed of stone and wood cladding and offers vast living spaces. The chic and uncluttered interior is decorated in soft colours and soothing materials.

Le Bois du Fontanil offers 3 en-suite bedrooms and a family suite consisting of a master bedroom and a bedroom for up to 4 children. At the top of the chalet, the living area is divided into a lounge, a fully equipped kitchen and a dining area, all warmed by a central fireplace. The bay windows open onto a terrace and a balcony with a splendid view of the valley.

On your return you can relax in the wellness area with swimming spa and sauna. For a comfortable stay, a breakfast will be served at the table or on the terrace as soon as you wake up, and the chalet will be cleaned by a housekeeper.

Le Praz reflects the authentic village of Courchevel. Its narrow streets, chalets and old farmhouses exude a timeless soul. With its lake and its ski jump built for the Albertville Olympic Games in 1992, Le Praz

offers a wide range of winter and summer activities, for the happiness of all.
