5 bedroom Penthouse for rental in Courchevel 1850

Hidden gem among the Alps, designed in the spirit of a French chalet!

Located on the fifth and sixth floors, this impressive Five-Bedroom Duplex encompasses 251 square meters (2,706 square feet) of interior space and 19 square meters (204 square feet) of terrace. It does not only bring to life the characteristically traditional mountain lifestyle but also the pinnacle of sophisticated living among the French Alps. Exquisite highlights include a fireplace conveniently centered in the living room area, a cinema room as well as spectacular mountain views across the Valley, rooftops, and to the inner courtyard. This marvelous Residence was thoughtfully designed for thoughtful experiences and embodies grand living areas to optimize comfort that makes it a superlative setting for high-end experiences.

Alain Foeillet created an effortless flow and an inviting ambience, as the living room can be transitioned into your own private space for Family gatherings, where chefs and private butlers have access to an open plan kitchen equipped in a manner befitting a professional culinarian. With natural materials to enhance the interior environment, featuring timber walls and robust beams together with stone and clay flooring, this is the ideal Alpine refuge for you!
