Located in the heart of the prestigious resort of Meribel, the Penthouse offers spectacular views of the snow-capped mountains and ski slopes. The spacious and elegant wooden interior is ideal for a family holiday in the French Alps. Start your day with breakfast on the terrace facing the peaks, then prepare for a day on the slopes while the children join their ski instructor. After your adventure, it's time to relax and warm up by the fire. Wrap yourself in a furry blanket and reminisce about your best skiing moments. Then enjoy the fumes of the residence's sauna, before indulging in a Savoyard-style meal. In the evening, watch the stars light up the Meribel sky and the snowflakes fall over the valley for a magical evening.
